

## **Montgomery County Medical Society Withdraws from MD5G Partnership**

**October 19, 2022**

MCMS leadership has withdrawn from the MD5G Partnership on 10/17/2022 as we do not have the bandwidth or staff expertise to effectively support or oppose the proposed Zoning Text Amendment (ZTA) 22-01 or any other such amendment, legislation, or ordinance.

We are neutral on this, and all other issues related to MD5G's initiatives.

If you have questions, please contact Susan D'Antoni, FAAMSE, MCMS CEO at 301.921.4300 or c: 707.249.2426.
